Web Technologies	HTML5, CSS3, React.js, Tailwind.CSS, Django REST Framework
Database	MongoDB, MySQL
DevOps & Cloud	Docker, AWS
Version Control System	Git, GitHub
Tools & Platform	Postman, VS Code, MS Office
Core Concepts	Data Structures and Algorithms, Object-Oriented Programming (OOP), DBMS, Computer Network, Operating System, SOLID Principles

EDUCATION

➤	2022 - 2026	B.Tech CSE	(CGPA: 7.97/10)
➤	2022	Class 12th CBSE Board	(69.6%)
➤	2020	Class 10th CBSE Board	(74.6%)

EXPERIENCE

Software Developer Intern | Digi Quest Consultancy Services Pvt. Ltd

Mar 2025 – Sep 2025

- Designed and developed a scalable healthcare web application using React, Django REST Framework, and MySQL, implementing secure role-based access and improving patient data accessibility by 40%.
- Built and maintained RESTful APIs to manage and validate 10,000+ patient records, ensuring high data accuracy, security, and optimized backend performance.
- Developed interactive dashboards for doctor performance tracking and patient analytics using React and Chart.js, enabling data-driven decision-making and real-time insights

PROJECTS

E-Commerce Web Application

- Developed a full-stack e-commerce platform with role-based access for users and admins, supporting end-to-end purchase workflows across **100+ products**.
- Implemented JWT-secured APIs, product and order management, and cart functionality to ensure secure and seamless transactions.
- Integrated Stripe payment gateway for secure online payments, enabling reliable and protected checkout experiences.

Blogging Web Application

- Built a secure blogging platform with **Admin, Author, and User roles**, enabling controlled content creation and publishing.
- Applied **JWT**-based role access control and a structured post approval workflow to maintain content quality and security.
- Developed CRUD operations for blogs and comments, ensuring consistent data integrity and structured content management.

CERTIFICATIONS

- Web Development in Django — GeeksforGeeks.
- MySQL Certification — Simplilearn.
- Excel Certification (Beginner to Advanced) — Simplilearn.

ACHIEVEMENTS

- Awarded Honours Award each academic year for consistently achieving above 7.9 CGPA aggregate in the 1st, 2nd, and 3rd year.
- Solved **300+ DSA problems** across LeetCode & GFG and achieved **College Rank #30** on GeeksforGeeks.
